

Pine Tree Dairy Consigns High Sellers at Wisconsin State Sale

The 2018 edition of the Wisconsin State Jersey Sale offered a little bit of something for everyone, from high genomic heifer calves to close-up springers, ready to build equity and fill the tank with high component milk. As has been done the past four years, this sale was an online event, with no live animals crossing an auction block. Bidding opened on May 8 through JerseyBid.com and closed in real time on May 15 through JerseyAuctionLive.com. In all, 48 lots sold for an average of \$1,606.15 and a gross of \$77,095.
