

“Violet” Family Member Tops Wisconsin State Sale at \$8,900

A new venue and new sale manager proved to be a winning combination for this year’s Wisconsin State Jersey Sale on May 12. The sale was hosted by All-Lynn Jerseys in Reedsburg, Wis., and managed for the first time by Jersey Marketing Service. The 104 lots of Registered Jerseys were struck off for an average of \$1,428.85—a mark that bettered last year’s average by more than \$180 on three times as many consignments. Thirty-one Jersey breeders from Iowa, Kentucky, Michigan, Minnesota and Wisconsin made purchases, as did four juniors, who bought the heifers consigned to the Badger Treasure Sale held in conjunction with the spring sale.
