

Sexing Technologies purchases tied High Sellers Tie at Wisconsin State Sale

The 2019 edition of the Wisconsin State Jersey Sale offered a little bit of something for everyone, from high genomic heifer calves to close-up springers, ready to build equity and fill the tank with high component milk. As has been done the past five years, this sale was conducted completely online, with no live animals crossing an auction block. Bidding opened on May 6 via JerseyBid.com and closed in real time on May 14. In all, 71 lots sold for an average of \$1,211.62 and a gross of \$86,025.
